

Carlton Fields' Aaron Weiss Reviews Recent Supreme Court TransUnion Ruling

June 25, 2021

Carlton Fields Shareholder Aaron Weiss was featured in [Bloomberg Law](#) and [Law360](#) articles reviewing the recent Supreme Court ruling limiting consumers' rights "to sue if a risk of reputational harm from misleading credit reports doesn't materialize." "After this decision, defendants will definitely fight things like exposure of Social Security numbers or health care information as being sufficient to establish legal standing," said Weiss.
