

Rising Wave of Data Privacy, Security Class Actions Threatens Insurers

March 16, 2020

Carlton Fields attorneys Julianna Thomas McCabe and John E. “Jack” Clabby were quoted in a *Life Annuity Specialist* article on a predicted wave of data privacy class actions against insurers coming as more states pass new privacy regulations. The trend was previously detailed in the [2019 Carlton Fields Class Action Survey](#). McCabe leads Carlton Fields’ National Class Actions Practice, and Clabby is part of the firm’s nationally recognized Cybersecurity and Privacy Practice.
