

Carlton Fields Blockchain Attorney Quoted in Article about Bitcoin Creator

May 08, 2019

Carlton Fields attorney Matthew E. Kohen, who co-chairs the firm's Blockchain and Digital Currency practice, was interviewed by cryptocurrency industry publication *Decrypt* about a dispute involving the identity of the creator of Bitcoin.

"We don't have enough yet to know one way or another, but it seems likely to me that as these various lawsuits play out, we'll get some indication as to who was involved with what early on in Bitcoin's lifecycle," Kohen told *Decrypt*.
