

Carlton Fields Blockchain Attorneys Quoted on U.S. Regulatory Climate for Cryptocurrencies

October 19, 2019

University of Pennsylvania Law School's *The Regulatory Review* quoted Carlton Fields blockchain attorneys Matthew E. Kohen and Justin S. Wales on the uncertainty and conflicting guidance among state cryptocurrency regulations. The article cites Kohen and Wales' resource "[State Regulations on Virtual Currency and Blockchain Technologies](#)," which provides state-by-state details on cryptocurrency regulations.
