

Carlton Fields' Matthew E. Kohen Quoted in Coverage of Bitcoin Creator Dispute

June 13, 2019

Carlton Fields Blockchain and Digital Currency Practice Co-Chair Matthew E. Kohen was quoted in *Decrypt's* ongoing coverage of litigation surrounding the identity of the creator of Bitcoin. In the article "[Latest twist in the Kleiman case could upend Craig Wright's libel lawsuits](#)," Kohen discussed the potential ramifications of a court's order demanding that self-proclaimed Bitcoin inventor Craig Wright produce records of all the bitcoin he has mined.

As the case developed, Kohen spoke with *Decrypt* about Wright's "highly unusual" decision to call himself as an expert witness in the case. Kohen's comments were published in the article "[Kleiman v Craig Wright is careening towards a showdown in Florida](#)."
