

Cybersecurity Policy To Watch For The Rest Of 2017

July 12, 2017

Carlton Fields Shareholder Kristin Shepard was quoted in the Law360 article, “Cybersecurity Policy To Watch For The Rest Of 2017.” The article discusses the hottest topics in cybersecurity for the remainder of the year. Specifically the topic, “Europe's sweeping data protection reform, discusses the implementation of the General Data Protection Regulation (GDPR).” Shepard told the publication that the GDPR “extends to U.S. companies processing the personal information of EU residents and imposes strict penalties for noncompliance.” [READ the article](#).
