

FLSA Class Actions Will Likely 'Explode' in 2021

January 21, 2021

Carlton Fields' [Class Action Survey](#) was cited in an *HR Dive* article about an increase in Fair Labor Standards Act class action litigation. Labor and employment continues to account for more than 25% of class action matters and spending, according to the most recent Class Action Survey. READ: *HR Dive*, "[FLSA class actions will likely 'explode' in 2021](#)"
