

Florida Cases to Watch in 2019

January 01, 2019

Jennifer A. Tschetter, co-chair of Carlton Fields' national Medical Marijuana task force, was quoted in a *Law360* article about a key Florida appellate case set to be decided this year. The case involves the implementation of a voter-approved amendment to legalize medical marijuana in Florida. "There's a lot of uncertainty and inaction because of this case," Tschetter told the publication.
