

# Roland Goss Authored Article for Insurance Litigation Reporter

June 22, 2017

Carlton Fields Shareholder Roland Goss authored the article, “McCarran-Ferguson Act. Reverse Preemption Bars RICO Claims Alleging That Reinsurance Transactions by an Annuity Issuer with Affiliates Were a Sham, Resulting in the Material Misrepresentation of its Financial Condition and in an Annuity Issued by That Company Being Worth less than What Was Paid for it.” The article published in *Insurance Litigation Reporter* and provides an overview of the Ludwick v. Harbinger Group, Inc. [READ the article.](#)
