

‘Incredible Increase in Litigation and Related Costs’ Puts Pressure on D&O

December 28, 2020

Carlton Fields’ [2020 Class Action Survey](#) was cited in an *Insurance Business* article about the increase in class action litigation costs. According to the ninth annual survey of U.S. corporations, spending on class action litigation increased to \$2.64 billion in 2019, compared to \$2.46 billion the previous year.
